

WILTON - WELD ST. OLD TOWN CEMETERY PRESERVATION
WORKSHOP

Fri.-Mon., August 19-22, 2016 Conservator Joe Ferranni of Grave Stone Matters, Hoosick Falls, NY, will be working with Maine Old Cemetery Association. pre-registered participants to preserve gravestones in Wilton's Weld Street Old Town Cemetery.

Depending on their condition, headstones and monuments will be cleaned, straightened, reset in current or repoured bases, have rusted pins replaced, have breaks repaired with epoxy and infill, and other needed preservation.

Documented direct descendants of any of the persons buried in Wilton's Weld Street Old Town Cemetery who do NOT want their ancestor's stone preserved by this group should contact the Wilton Town Office at [207-645-4961](tel:207-645-4961)
[Email: office@wiltonmaine.org](mailto:office@wiltonmaine.org) by August 8, 2016. The town has already authorized the work.
